In the Name of Allah, the Beneficent, the Merciful.
By the Name of Allah and peace of Allah on Mohammed (S.A.W.) and His sacred progeny and I entrust my work unto Allah and verily Allah is all seeing for His creatures.
"There is no God But You, Glory to You, I was in the dark then We granted him his (Younus (s)) request and redeemed him from the panic and in like manner We redeem the believers".
Suffices Allah, how good and trustworthy and the prospective crusaders returned (as there has been no fight any longer) with grants and the grace of Allah, sins harm and injury.
Whatever Allah wishes and there be no might and force except by Allah. Whatever Allah wishes and not whatever the people wish. Suffices the Patron rather than the patronized. Suffices the Creator rather than the creatures. Suffices the Giver rather than the given. Suffices Allah the Patron of Worlds. Suffices the Sufficient from my inception, The Infinite Sufficient suffices Allah, There is no Allah but He. I trust Him and He is the Patron of the Great Empyrean.

[There is no god save Allah, the glorious, the supreme. There is no god save Allah, the mighty, the oft forgiving. There is no god save Allah, the one, the dominating. There is no god save Allah, the single who has no associate, the

only god, we surrender ourselves to his will. There is no god save Allah, Muhammad is the messenger of Allah, Ali is the vicegerent of Allah. Blessing of Allah be on his best creation, the manifestation of his pleasure, Muhammad and all his pure, pious and clean children, on account of your mercy, O the most merciful. In the Name of Allah, the Beneficent, the Merciful. O Allah, I beg to request You that I have no knowledge of the estuaries of my provisions and I no doubt seek it because of the uncertainties springing in my heart so I hustle about in the cities in seeking it. I be therein like a confounded seeker, not knowing either it is in plains or is it in mountains, either in the land or in the rivers, yonder anyone or before anyone, and I do know that You have its knowledge, its means at Your hands and You are the one awarding it by Your favor and executing it by Your favor. O Allah, peace be on Hazrat Mohammed (S.A.W.) and his sacred progeny, and favor me, O Lord, ever magnifying provisions, its seeking easier and its attainment nearer, and not strain me from tapping sources having no provisions therein for me. And You are over and above straining me, and I a beggar of Your favor, and peace be on Mohammed (S.A.W.) and his sacred progeny, and ameliorate me by Your favors. Verily You have abundant favors.
